

Advanced Applications of RTI

-Revisiting, Renewing, and Re-Energizing

For District and Building Teams, and Individuals

This seminar provides advanced ideas to make RTI highly efficient and more effective. Schools will learn how to establish a proactive system using clear protocols for addressing student needs using evidence based interventions and formative decision making.

- With National RTI Consultant/Trainer, Wayne Callender

Wayne Callender is an author and national RTI Consultant who has worked at the state, district and building level implementing Response to Intervention (RtI). A former statewide RTI director, Wayne currently trains and advises educators across the country in the implementation of Response to Intervention and in the area of school improvement. In addition to being featured as keynote speaker at over a dozen state and national conferences, Wayne has authored numerous RtI articles one of which was recently published in Principal Magazine, as well as writing multiple RtI training manuals.
