

Using EOY Benchmark Assessments to Evaluate Effectiveness of MTSS and Plan Improvements

For District and Building Teams, and Individuals

This Webinar will help educators understand how to evaluate the effectiveness of academic interventions and supports provided as part of MTSS. Participants will learn how to determine the degree to which a school's system of supports are working and how to create targeted action plans designed to improve their effectiveness.

- With National MTSS Consultant/Trainer, Wayne Callender

Wayne Callender is an author and national MTSS Consultant who has worked at the state, district and building level implementing Multi-Tiered Systems of Support (MTSS). Wayne currently trains and advises educators across the country in the implementation of MTSS and in the area of school improvement. In addition to being featured as keynote speaker at over a dozen state and national conferences, Wayne has authored numerous books, chapters and articles on the topic of MTSS/RTI.
