

Social, Emotional and Behavioral Supports Seminar

This seminar is designed for individual educators and school or district-based teams interested in developing efficient protocols and strategies for addressing the needs of all students.

- With National MTSS Consultant/Trainer, Wayne Callender

Wayne Callender is an author and national MTSS Consultant who has worked at the state, district and building level implementing Multi-Tiered Systems of Support (MTSS). Wayne currently trains and advises educators across the country in the implementation of MTSS and in the area of school improvement. In addition to being featured as keynote speaker at over a dozen state and national conferences, Wayne has authored numerous books, chapters and articles on the topic of MTSS/RTI.

Topics:

- Lesson plans to teach schoolwide and classroom expectations
- Strategies to prevent and address unwanted behaviors
- Practical, evidence-based interventions for students in Tiers 2/3
- Create, clear, easy to follow protocols for social, emotional and behavioral intervention decision making
- Ideas for supporting teachers dealing with challenging behaviors
- Protocols and tools for social, emotional and behavior screening
- Progress monitoring and evaluating the success of behavioral interventions
- Using MTSS/RTI for special education decision making
